

WEDDING PHOTO BOOTH EXPERIENCES

A PHOTO BOOTH THAT BELONGS AT YOUR WEDDING.

Designed to sit beautifully in your reception, run by your guests,
and send every photo home with them.

INTRODUCTION

YOUR GUESTS, AT THEIR MOST RELAXED.

Somewhere between dinner and the last dance, your guests will step into the NTHBD booth with the people they came to celebrate with.

They run each session themselves, leave with a print in hand, and have the photos on their phone before they're back on the dance floor. You get a booth that looks right in your room and a team that handles everything around it.
